Gentlemen:

We are herewith returning to you the supplemental report you completed for the above captioned case. You have specified the date the injured returned to work as "few days later". This information will not be acceptable to the Commission, and does not give us sufficient information in order to determine whether or not the claimant is entitled to the payment of any compensation.

It will be absolutely necessary that you give the date the disability began and also specify the date the claimant actually returned to work. We are sending a copy of this letter to the Florida Industrial Commission so that they will know that the delay in the handling of this case to a conclusion is not due to any fault on our part.

Please let us hear from you by return mail. We are attaching an addressed stamped envelope for your convenience.

Yours very truly,

J. ALTON DOUGLAS, Manager
